Mayor's Message

We finally got through the messy winter! I hope all Borough residents are enjoying the warmer weather. As the weather gets nicer, please remember that the Borough gets very busy with various activities and children will be out playing so please be careful. Please obey all the speed limits on Borough roads.

If you are interested in renting the pavilion at Ketterman Park for your summer picnic or party, please contact me. There is a Park Facilities Use Form on the borough's website at doverboroughpa.com. The pavilion has 6 large tables and electric available.

If anyone has questions, please don't hesitate to contact me at mayorpopedover@gmail.com.
Have a safe and happy summer!

Mayor Richard Pope

Recreation Board Happenings

As spring is finally upon us, Dover Borough Recreation Board would like to invite our area residents to our upcoming events. First, we'd like to thank everyone who attended our annual Easter Egg Hunt on April 4th. We hope everyone had a great time, because we certainly did. Our other events coming up will be two Sundaes in the Park with the first on Sunday June 21st from 3 - 5:30 featuring the band Timeless. The second will be on Sunday July 19th from 3 - 5:30 featuring Emigsville Band. At both events, we will be selling Smitties soft pretzels and Sarah's Creamery ice cream sundaes and floats.

Our next event of the year will be National Night Out on Tuesday, August 4th at Union Fire and Hose Co. from 5 - 9 p.m. We are looking for residents of Dover Borough who would be interested in joining the Recreation Board. If you have an interest, please email Mayor Rick Pope at mayorpopedover@gmail.com. We hope to see everyone out at our events and have a wonderful, safe and healthy summer.

Dover Area Ambulance Club Notes

DAAC has received a grant from PA Office of State Fire Commissioner for \$7,444.80, which was used to purchase one LUCAS Device, this piece of equipment delivers cardiac compressions for patients in need of CPR. This piece of equipment cost \$16,130.19. DAAC continues to provide quality service to our residents since 1958 and hopes that you will continue to support our services with your much needed donations.

DAAC would like to mention to our senior citizens who live alone. If you have a vehicle key fob with a panic alarm on it, keep the fob with you or by a favorite chair, on your night stand at night, you have a emergency. It may be a life saver! By pushing the panic button on your remote. Your car horn alarm will sound for hours, bringing the help you may so desperately need.

DAAC hopes that you have a safe Spring and Summer season!

The Greater Dover Historical Society

This Greater Dover Historical Society, incorporated in 2003, is a non-profit, volunteer organization whose mission is to gather, restore, and conserve the history of Dover Borough and Dover Township through education and preservation. Items, 50 years or older, which are relevant to the history of the area are accepted and maintained in the Society's archives.

The society restored and operates the blacksmith shop in Ketterman Park which is open the second Saturday of the month from April through October. The society also participates in PennDOT's Adopt-A-Highway Program on Route 74 north of the borough. A display case in the lobby of the Dover Township building is maintained to highlight society events and display items from its archives. Society meetings are held the third Thursday of each month at Calvary Lutheran Church in the fellowship hall at 7 p.m. Please contact Kay Stitley for additional information at kayhistorywalk@gmail.com.

Grass Clippings and Stormwater

When mowing your yard, make certain that you do not blow grass clippings into the street. If there are grass clippings on the street or sidewalk, use a broom or leaf blower to blow them back into the lawn. Do not use a hose to wash them into the street or storm drains. Keeping your leaves and lawn clippings out of the street and gutters will have significant benefits for your local stream by reducing the amount of phosphorus entering a lake or stream.

When lawn clippings, fertilizers, soil, leaves, or animal waste, are picked up by storm water runoff, they are carried directly to our local streams. All of these materials including grass clippings contain phosphorus. According to the U.S. EPA, phosphorus is one of the most troublesome pollutants in storm water runoff and it is considered the primary cause of water quality problems in our lakes, ponds, and streams.

Grass clippings contribute nutrients such as nitrogen and phosphorous, which causes unwanted and uncontrolled growth of algae and aquatic weeds in the waterways. Too much algae is harmful, it blocks sunlight and prevents other plants from growing. When it dies and decays, it also takes much needed oxygen away from fish. Limiting phosphorus reduces algae blooms. According to the Northeast Wisconsin Stormwater Coalition, one bushel of fresh grass clippings can contain 0.1 pounds of phosphorus which if it ends up in water ways is enough to produce 30 to 50 pounds of algae.

Please keep your grass clippings on the lawn and not in the street or gutter. Grass clippings are about 90 percent water, so they decompose very quickly. Grass clippings add free fertilizer to your lawn and if kept out of the stormwater, they will greatly reduce water pollution.

New Hope Ministries is a community based Christian social service agency which provides assistance to at risk and in crisis individuals and families. New Hope Ministries shows the love and hope of Christ by serving our neighbors in times of need and supporting their efforts toward stability. Our Dover Center is located at 1836 Industrial Court Dover, PA 17315. Our contact information is 292-3441 www.nhm-pa.org.

~ The Dover community is a huge supporter of New Hope Ministries! Thank you for your continued dedication to our agency. We could not continue to serve the people in need in your community without the support of the churches, civic groups, municipalities, businesses, schools, individuals and other groups that support our agency.

New Hope Ministries + Dover Food Bank = A Perfect Pair

After a courtship lasting 28 years, we are proud to announce the marriage of two wonderful non-profit organizations that serve the Dover community. In January 2015, the Dover Area Food Bank transferred operation of its food bank program to New Hope Ministries. This administrative change meant the dissolution of the Dover Area Food Bank as a separate legal entity, but ensures the continuation of our community's food pantry under the leadership of New Hope. We are looking forward to welcoming our good friends from the Dover Food Bank as volunteers and supporters of New Hope Ministries for many years to come. Those visiting our office off Butter Road will continue to receive the same compassionate service they have depended on since 1982.

ZONING & CODE ENFORCEMENT

Building Permits are required before any construction, development, demolition or removal of a structure anywhere within the Borough of Dover. Our ordinance defines *STRUCTURE* as – “Anything constructed or erected on the ground or attached to the ground, including but not limited to buildings, sheds, manufactured homes or mobile homes and other similar items.”

The installation of satellite dishes requires a building permit.

Building permits **are not** required for replacement of siding, windows or a roof UNLESS there will be structural changes or modifications.

Building Maintenance – To keep the Borough looking safe and nice, there is a building maintenance ordinance which requires property owners to keep the exterior of the property in good repair. (i.e. – no peeling paint; stairs, doors and porches must be maintained to prevent hazards; repair loose or hanging siding or downspouts and broken windows). Properly maintained buildings enhance the community and help maintain property values in the area.

Swimming Pools – A BUILDING PERMIT IS REQUIRED to install any pool with a capacity greater than 1,000 gallons. Pools must also conform to all state laws. Pools less than 48 inches in height must be completely surrounded by a 4 foot fence. The fence must be no less than 3 feet from the pool on all sides and **must have** a self-closing, self-latching gate. Even the new soft-sided pools fall under this law. A building permit is required to install a fence and any pool, even those pools which are taken down each year.

Yard Sale Signs – You **MAY NOT** attach signs to utility poles or traffic signs. This violates utility company and Borough ordinances. Please call if you have questions about the types of allowed signs. Non-profit groups may place signs in the square, but **must** pre-register at the Borough Office.

Trees and Shrubs – All trees and shrubs along walkways and roadways must be kept trimmed to a height of not less than 10 feet above sidewalks and 14 feet above streets. They also should not obstruct the walking area of sidewalks.

Weeds and Grass– Sidewalks and curbing must be kept completely clear of weeds and grass. Weeds and grass should not be allowed to grow to a height of more than 10 inches anywhere else on the property. **Also, when mowing, please sweep clippings from the sidewalk and street, but do not sweep them into the street. They clog the storm drains.**

Trash, Bulk Item & Recycling - The normal trash day is Monday year round. June 1 through September 30 trash is collected **twice** a week, on Mondays and Thursdays. You may put out **up to** six cans or bags (or a combination of the two) each collection day. Bulk items and recycling are only collected on the year round day of the week (Mondays).

Nuisances

1. Pets are not allowed to roam freely. **You must take steps necessary to assure that your pets are kept on your property, unless being walked on a leash.**
2. When walking your pet, it is the pet owner’s responsibility to **carry supplies to clean up their feces.** People have been allowing their pets to defecate along sidewalks and the walking trail in the park. This is a health hazard.
3. Please be sensitive to others when leaving your dog(s) outdoors if it barks repeatedly.

Please contact me at the Borough office if you have any questions about ordinances or have a zoning or code enforcement question or complaint. All complaints remain confidential.

Zoning/Codes Enforcement Officer
